Special Service Offered To U.S. Ligna Visitors

Lach Diamond Inc., Grand Rapids, Mich., will be attending LIGNA '85, Hanover, West Germany, May 15-21, and exhibiting its complete line of diamond tools for woodworking.

In order to assist visitors from the United States, Lach Diamond will be providing a special service to U.S. woodworking executives.

During the LIGNA show, Lach Diamond will assist with translations, negotiations and, in general, will help U.S. LIGNA visitors in obtaining information of technical nature.

The people providing the service are bilingual woodworking specialists. This courtesy service is available at no cost or obligation. In addition, U.S. visitors who are interested in sightseeing in the Frankfurt area after the show can take advantage of a Lach sightseeing service which would include a visit to the West German pioneer in diamond tooling, Lach Spezialwerkzeuge, Hanau, Germany.

Reservations can be made by contacting Joyce Elliott at (616) 245-1753.
