

# FURNITURE WOOD DIGEST

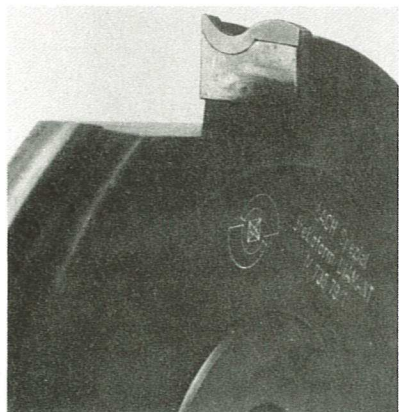

## SHOWCASE '85

### LACH DIAMOND TOOLS

Router bits, shaper cutters, hogging heads, grooving saws and groovers are only a few of the polycrystalline diamond tools being offered. The diamond tools last approximately 250 times longer than carbide tools.

*Lach Diamond Inc., 3516 - 18 Roger B. Chaffee Blvd., Grand Rapids, MI 49508*

▲ Use Inquiry Card and Write In #1333 ▲

### LACH DIAMOND CUTTING TOOLS

This line of diamond cutting tools is designed for double-end tenoners. The diamond tools are available in various styles such as hogging heads, scoring saws, profile cutters, joining cutters and grooving cutters to fit U.S., European or Japanese double-end tenoners.

*Lach Diamond Inc., 3516 Roger B. Chaffee Memorial Dr., Grand Rapids, MI 49588*
